

Board of Directors Candidates

Daniel Thompson

Board of Directors Incumbent

I currently work for Amtrak for the past 16 years and have been a member of SnoCope since 2011. I am seeking reelection for the 2022-2023 term to continue getting experience on the functions and operations of the Credit Union.

I was on the Board when we went through the Core Conversion, plus I was previously a member on the Supervisory Committee.

I have a MBA and a BS in Finance. I am currently working on many other ventures and small business operations.

Jeffrey Craig

Board of Directors Incumbent

I wish to serve on SnoCope's Board of Directors because I feel that I can make a meaningful contribution to SnoCope's place in the community as a not-for-profit financial institution. I also feel it is important to give back to the community by volunteering.

My education includes a BA from Eastern Washington University (1971). My work experience includes career firefighter (1975-1997), Trust Management (1997-2013) and general Financial Management (1991 to present).

I have a large and experienced world view that I think will assist the Credit Union to reach its future goals. In my free time I enjoy surfing (since 1959), sailing, woodworking and fixing anything that is broken.

Supervisory Committee Candidates

Sean Kipina

Supervisory Committee Incumbent

I have a BA in Digital Cinema with a Minor in Video game Design and Development, and am currently in the process of obtaining a second degree in AAS in Cybersecurity and Networking.

I currently work at Panera Bread as an associate in a customer service capacity. I also hold Microsoft certifications in Microsoft Word, PowerPoint and Outlook, and am in the process of obtaining other technology certifications.

I joined SnoCope Credit Union's Supervisory Committee in the beginning of January 2019 and I see my participation in the Supervisory Committee as a way to learn more about finance, auditing and procedures. This opportunity to volunteer affords me the experience of giving back to a well-known, socially responsible, not-for-profit organization.

I enjoy learning and college, playing video games, riding my Can-am Spyder, photography, watching movies, as well as traveling.

Chris Leavines

Supervisory Committee Incumbent

I am a Petty Officer First Class and served for three years as Master Technical Sergeant in charge of Logistics at AFJROTC and joined the U.S. Navy Active Duty in October of 2003. I hold numerous certifications in electrical troubleshooting, and quality assurance as well as counseling, leadership practices, statistical analysis, and program management. I have completed 80 hours of Naval War College Course Instruction in Joint Professional Military Education, and I'm qualified Skipper "B" Keelboat sailor.

My sea duty tours include three squadrons home ported at Naval Air Station North Island in San Diego, CA, three shipboard assignments, and numerous support and training missions including humanitarian assistance in Florida, Louisiana, and Presidential secret service aerial reconnaissance.

My decorations also include two Navy Achievement, a Humanitarian Service Medal, and over 23 additional individual awards including 6 Flag Letters of commendation from Rear and Vice Admirals, and a Navy commendation medal.
