A New Powerful Tool: A FREE, Customized, Personal Financial Wellness Program - Just for You

SnoCope has always been a leader in Financial Education and Wellness and now we're bringing you something new. **Introducing Enrich.** Enrich is a financial educational and wellness tool that provides individual assessment and action plans based on **you!**

Take a quick assessment and let Enrich make recommendations on activities to bolster areas where you might need additional help, fortify areas that you've mastered and share knowledge in areas you might need some additional guidance. All intended to help you get ahead financially.

Maybe you want to learn:

- Better ways to budget
- Get advice on buying a car versus leasing
- Figure out just how much money you need for an emergency account (and where the heck do you put that money so it grows with best for you?)

- Get ideas on how to save money for a down payment on your first home and what options are available for first-time home buyers?
- Maybe you need help to gain value in your retirement, there's tons of options.
...and so much more.

New material is added every week, so you'll always have new topics and activities. The more you do, the more rewards you earn for entry into Enrich's sweepstakes for cash awards.

GET STARTED TODAY!! with your **FREE** assessment and recommendations

-- Editor's Note --

One of the great parts of being a credit union in this community is the opportunity we have to give back to the area we call 'home'.

We're half way into 2024, and things are going well, and we are certainly looking forward to the Summer events and Holiday festivities and surprises!

As we mentioned last issue, we were hoping for cooperative effort with other Everett credit to benefit child advocacy group, Dawson Place.

We're also ramping up for **National Night Out Against Crime**, a great family day with the **Everett Aqua Sox** and lest we forget the **holidays** (shhh...don't talk about that yet).

BIG Dawson Place Fund Raiser/Supply Drive Planned, July 2024

Can you help us - help Dawson Place?

Dawson Place Child Advocacy Center is a non-profit organization providing safety, justice and healing to victims of child physical and sexual abuse, assault and neglect. They provide every service needed for victims and their families to receive the help they need all in one child-friendly localized place. It minimizes the number of times a traumatized child has to tell a heartbreaking story, by bringing each needed professional for a case into one building, reducing the trauma a child experiences. Without the centralized services, a family would have to drive all over the county (or even out of county) to access the different services they need in an attempt to coordinate with each office effectively.

What makes Dawson Place different is that they bring all these specialists under one roof, allowing their team to devote all their efforts to helping the child, reducing time spent coordinating amongst organizations and shortening the chain of communication between each other. In the end, delivering more positive outcomes for kids at a much more rapid pace.

Each child that comes through the doors at Dawson Place is given a backpack with toiletry essentials, comfort pieces, a blanket and their choice of other toys, fidget items and their choice of other items to make them feel of value. Sometimes, this may be all

the child has with them, and it can mean the world. These items are priceless and our friends at Dawson are running low on all types of things.

So, this July, SnoCope, Mountain Crest, Mill Town, Community Healthcare, Nordstrom Federal Credit Union and Northwest Plus credit unions will team up to gather supplies from the Dawson Place wish lists and cash donations, for their operations and additional supplies.

AND YOU CAN HELP! There is a list of wanted items on their website (below, left) and an Amazon wish list available (below, right) and you can bring your items to the branch and we'll get everything ready to go. Last year it took two cars and a truck to get everything to Dawson Place. We'd love to have to make more than one trip to get it all there this year! **CAN YOU HELP US BEAT LAST YEAR?**

Where We Give Spotlight: EVERETT ANIMAL SHELTER

In April, we hosted our annual EAS fund raising and supply drive to help support the ongoing community pet efforts for EAS.

Last year was a huge success. So that became the new challenge for 2024! This year we were so close with \$705.25 in donations, we collected an SUV load of food, treats, beds, blankets/towels and other supplies estimated at \$5,000!

To kick off the event with high energy, Lindsay Roe, Development Manager, for the Shelter came to the branch with a load of PUPPIES! The cute furballs ran around and we were all smitten with their cuteness. When the time came to pick up all our goodies, Lindsay brought a white husky named Cloud to help load up. This fluffy girl picked out her own special toy and greeted the staff and members in the branch to say thank you for all the donations. They were touched by the outpouring of love from our members and staff, and we were happy to load it all up in the car and send it on it's way to do good for all those in their care.

There is always a demand for dry or canned pet food, special diet foods, unopened dog and cat treats, kitten formula, new dog and cat toys, fleece blankets, towels, food dishes, leashes and collars.
